## About

This workshop provides updated information on the VT Better Roads Program and the grant application process. The program's goal is to promote the use of erosion control and maintenance techniques that save money while protecting and enhancing Vermont's lakes and streams.

## Learning Objectives:

- Understand the VT Better Roads Program and changes for FY2017
- Comprehend expectations for standards and procedures associated with receiving grant funding
- Have a better understanding of the procedures and timeline involved in processing grant requests
